

Saving the earth

- A:** It is a dangerous time for the environment. What **should we do** to save the earth?
- B:** Well, **we should use** public transport instead of travelling by car. Too many cars pollute the air.
- A:** **Should we plant** more trees?
- B:** Yes, **we should**. Definitely. Trees help us to breathe. And at the same time, **we shouldn't cut** down so many trees.
- A:** And what about waste?
- B:** We **should always try** to recycle waste. Recycling waste saves natural resources.
- A:** And what **should we do** at home? **Should we continue** to use electricity all the time?
- B:** No, **we shouldn't**. **We should try** to use less electricity at home. For example, **we should** turn off the lights when we don't need them. But in the future **we shouldn't burn** fossil fuels. We **should use** solar energy instead. It's cleaner and safer for the environment.
